Frontline Golf Plot at La Cala Golf (Mijas)

At La Cala Golf, luxury is more than the home itself: it's privacy, open views over the greens, a refined natural setting, and the calm of a truly residential environment. This frontline golf urban plot offers an exceptional opportunity to create a bespoke Luxury Villa in one of the Costa del Sol's most established lifestyle destinations.

With 1,559 m² of plot area and classified as urban land, currently undeveloped, it provides the ideal canvas for a contemporary architectural statement—clean lines, generous interior volumes, floor-to-ceiling glazing, and outdoor living designed around the golf landscape.

A buildability index of 0.25 m²t/m²s allows an approximate buildable volume of 389,75 m² (1,559 × 0.25), perfectly suited to an elegant, spacious villa conceived for Mediterranean and Golf living.
