Frontline Golf Plot at La Cala Golf (Mijas)

At La Cala Golf, luxury is lived day-to-day: open fairway views, privacy, a serene atmosphere and a refined natural setting that elevates the entire residential experience. This frontline golf urban plot is an exceptional foundation for a bespoke Luxury Villa, designed with discretion, elegance and true Mediterranean indoor-outdoor living in mind.

With 1,401 m² of plot area and recorded as undeveloped urban land, the site is ideal for a contemporary architectural statement—generous terraces, landscaped gardens and a seamless connection to the golf scenery.

A buildability index of 0.25 m²t/m²s allows an approximate buildable volume of 350 m² (1,401 × 0.25): a highly desirable format in the prime segment, combining frontline positioning with a disciplined, value-conscious investment profile.
