With a total built area of 800 m², the villa offers 4 spacious bedrooms and 7 bathrooms. This villa is not just a home — it's a statement of refined living, where every element reflects thoughtful design and uncompromising quality. An Exclusive Investment Opportunity! In addition to this villa, there is a unique opportunity to acquire a collection of three villas as part of the same development. One of the villas has already been completed and is move-in ready. The villa featured here is currently under construction with a scheduled completion date of September 2025. The third villa, not yet under construction, already has a valid building license and an approved design project — offering buyers the rare chance to customize the layout and finishes to their personal preferences.
