

Terreno Urbano en venta en Benalmádena, Benalmádena

1.147.500 €

Referencia: R4251445 Terreno: 7.136m² Construido: 2.497m²

Costa del Sol, Benalmádena

Great Opportunity for developers looking for developing Villas or Townhouses. Here we have seven plots that are next to each other sold together as a package. They have sea views and depending on the type of construction the properties will benefit from the views. The total Sqm of the plots together are approx. 7.136 sqm, and the total constructed area allowed is 2.497 sqm considering an edificability (Edificabilidad) of 0,35. The plot sizes range from approx. 827 sqm to 1.347 sqm. The Plots are located very close to the Buddha center in Benalmadena and benefits from a magnificent position between the sea and mountains.
