The house has a lovely southwest facing position with views of the sea, two terraces and a private garage with space for a car + storage. The entrance floor contains a hall with guest toilet and a storage room, a fully equipped kitchen and a living-dining room with fireplace and access to a terrace with afternoon sun and views of the sea. The terrace has both a roof and awnings which means it can be used all year round. Upstairs there are 3 bedrooms with built-in wardrobes and 2 bathrooms with shower, one of hem ensuite. Another floor up there is a fourth bedroom with toilet and bathroom vanity. This was previously an open terrace that the previous owner built in. Part of the terrace is still open and has space for a barbecue and dining table. From here you also have views of the sea and the surroundings. In the basement there is a private garage with space for a car + motorcycle, bicycles or storage. All rooms are equipped with air conditioning.
